To the Board of Directors of Philip Morris & Co. Ltd., Incorporated:

We have examined the consolidated balance sheet of PHILIP MORRIS & CO., LTD., INCORPORATED and its wholly owned subsidiary, Philip Morris & Company, Limited (England), as of March 31, 1940, and the comparative consolidated statement of income for the fiscal years ended March 31, 1940 and March 31, 1939 and the statement of surplus for the fiscal year ended March 31, 1940, have reviewed the systems of internal control and the accounting procedures of the companies and, without making a detailed audit of the transactions, have examined or tested accounting records of the companies and other supporting evidence, by methods and to the extent we deemed appropriate.

In our opinion, the accompanying balance sheet and related statements of income and surplus present fairly the consolidated position of the company and its English subsidiary at March 31, 1940; and the consolidated results of their operations for the two fiscal years then ended, in conformity with generally accepted accounting principles applied on a consistent basis.
